

System Requirements for attending LVC

If you are attending the Class for the first time, **you must log in to our learning management system 30 minutes** prior to the scheduled time to complete your set up process. This is to ensure that you have the requisite software and any other technical problems are sorted before the class.

Other system requirements:

1. Internet Explorer 6 or higher
2. Java script and cookies enabled
3. Recommended Active X to be installed
4. Processor: Intel or AMD processor - 1 GHz or faster
5. RAM: At least 512 MB (2GB for Vista's user)
6. Internet speed: At least 256 Kbps

How to log in to the Session?

1. Login to Learning Management System
2. Select the Module for which you want to attend
3. Check the "Upcoming Events" menu on the Right side. (See the screen shots below for explanation)

Our Clients

Proscool Home

Proscool imparts practical financial skills training courses. All our finance courses are comprehensive, practical and hands-on with an inside view of the industry. The focus is on learning-by-doing, with appropriate guidance by industry experts in financial training.

We have courses in [Financial Modeling](#); [Financial Planning](#); [Financial Services Marketing](#) and a preparatory course for [Level I CFA exam](#). Each course content is created by the best in the industry and is focussed towards making each participant industry-ready.

Learn about our programs in the following areas:

- [Financial Planning](#)
- [Financial Modeling](#)
- [Chartered Financial Analyst® \(CFA®\)](#)
- [Financial Services Marketing](#)

If you are a fresher or a graduate with a few years of work experience in the finance industry and you are looking to advance your career, a financial training certificate program is the ideal solution for you.

[To know more about our courses in Financial Training click here.](#)

Why should you consider

The courses in financial training provide you with the skills and knowledge to get a job and pay for you. The jobs are:

- Financial KPO's
- Equity Research
- Investment Banking
- Banks
- Hedge Funds
